RESPONSE TO HOLDING OF LACK OF UNITY OF INVENTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Official Action dated September 5, 2006, the following remarks are submitted.

The aforementioned Official Action indicates that this application contains claims directed to two different inventions which are not so linked as to form a single general inventive concept. The two claimed inventions which are said to lack unity of invention are as follows.

Group I invention defined in Claims 1-18 drawn to an apparatus for sealing a package.

Group II invention recited in Claims 19-22 drawn to a method for sealing package.

Based on the observation that the two inventions lack unity of invention, a requirement for election of one of the two inventions has been imposed.

Applicants hereby elect, with traverse, the Group I claims, Claims 1-18.
